### **When were you certified as a PBSP® therapist, supervisor, and or trainer?**

I was certified as a PBSP® therapist in December of 2003.

### **What is the name of the training group that you were in?**

The 1st Munich Training Group from 1998-2001

### **What are your other PBSP® involvements?**

Building up the Homepage of the "[Pesso-Arbeitsgemeinschaft München](#)" with a lot of information about PBSP® in German, organizing the [Pesso-Tagung](#) in May 2004 in Munich (see Conferences / "[Psychotherapy Conference](#)" May 13-15, 2004 in Munich Germany), editing the "Tagungsband" [the "Conference volume"] about Pesso-Therapy and writing German articles for the German Journal "[Psychotherapie](#)".

### **Where do you live/work?**

I work in my own practice in München-Schwabing with individual therapy, couple-therapy and with PBSP® groups, and I am living with my family in Olching near Munich.

### **Why did you want to become a certified PBSP® therapist? And what do you think of PBSP® as a therapy and/or how do you use it in your work?**

Eight years ago I read two books: [Strukturen des Unbewussten](#) (Structures of the Unconscious) Stuttgart 1991 by Tilman Moser [about PBSP® structures led by Albert Pesso], and [Dramaturgie des Unbewussten](#) (Dramaturgy of the Unconscious) (Stuttgart, 1986) by Tilman Moser and Albert Pesso. Since that time it became clear to me, that I wanted to learn this work. One year later Al did his first workshop [organized by Sibylle von Bibra](#) and that was the beginning of my PBSP® engagement. In the meanwhile [now] PBSP® is the center of my work.
